

Dear Chris, Samantha, and the team at the Botanic Gardens Restaurant,

Our small thank you card is not enough to express all of our appreciation for the fantastic service, and food, that we experienced in the lead up to and on our wedding day.

The food that you provided was exceptional. You truly achieved your vision of providing restaurant quality food for functions, something that was very important to us in choosing a reception venue for our wedding. None of our guests went home hungry! We had several chefs and hospitality workers at our wedding, and all commented on the high quality of the food (particularly the Aracini Balls and Salt and Pepper Squid canapés!). The meals were delicious, and beautifully presented.

Similarly, many guests commented on the outstanding service of your staff. Guests with allergies were particularly impressed with the way they were looked after and their needs considered. We were so impressed by how friendly and accommodating your staff members were. All staff members were attentive – someone was there with soda water as soon as I spilt red wine on my dress!!! What impressed us the most was when one of the staff came up to us at the end of the night and thanked us for allowing him to serve us and be part of our wedding day. I have never experienced such beautiful service (and wish I could remember the name of the employee!).

Chris and Samantha, you were both so helpful in the lead up to the wedding. You explained everything and nothing was too hard. Additionally, many guests who had previously been to the restaurant commented on how fantastic it looked with the new renovations.

Thank you again for helping to make our wedding day so enjoyable, and our reception memorable for all the right reasons. We look forward to coming back to the restaurant again soon to enjoy your beautiful food and hospitality.

Kind regards

Nerida and Lionel Chazal

(Married 3rd of January 2010).
